**MARKINGS AND BRANDS**

- All markings must be exactly and clearly shown.
- White markings and brands to be drawn.
- For grey horses – white markings with pink under skin must be shown.
- Faint facial markings without underlying pink skin may also be recorded.

Testicles descended into the Scrotum

Two  One  None

Date: 17.7.2011

I declare that on the above date,  
 I examined the horse described on  
 diagrams and found him to have  
 two / one / no descended testicles at the  
 time of examination.
